PLAYBOY
SPECIAL EDITIONS

special editions

playmates

Many of our fans have the mistaken notion that if a model poses in a Playboy Special Edition she disqualifies herself from becoming a Playmate. Nothing could be further from the truth. Special Editions actually has been a launching pad for many Centerfolds, including recent Playmates like Tiffany Taylor, Heather Kozar and Brooke Richards. This sexy section is devoted to our beautiful models who went on to fame and glory in PLAYBOY magazine.

special editions superstars

While every model who appears in a Playboy Special Edition is amazingly hot and sexy, a number of our girls have become perennial fan favorites. They are some of the most beautiful women on the planet, and many of our fans just can't live without them. While there is obviously some debate about the ultimate Special Editions hot list, in this section you'll find 25 who should be near the top of anyone's roster.
